Have you wondered what our Conference & Expo is like?

Well, here's your chance to find out! CAAEYC needs volunteers from the early care and education (ECE) field for this important event to serve a 4-hour shift. Opportunities exist to help at registration, monitor sessions, greet registrants and help them find their way.

Why volunteer? When you volunteer 4 hours of your time, you can:

- Attend 4 hours of the Conference & Expo for FREE the same day
- Obtain professional growth hours for your service
- Connect with other professionals in the ECE field
